

tots on a mission to....

K E N Y A

I can thank God for:

- Every person in Kenya that loves and follows Jesus
- The open door in Kenya that allows Christian missions, education & ministry

I can ask God for:

- Continued stability in the country so the Word of God can be taught
- Open hearts for those that are hearing about Jesus for the very first time, especially children
- Christians to go and share about Jesus with those in Kenya that have never heard about Him and for God to go before them to prepare the way

This is the country of Kenya.
Kenya is in Africa

glue picture of
country here

Can you find it on a map?

Flag of Kenya

add clip art or the flag
your child colors here

tots on a mission extras

Cut out the following clip art and use it for your 'Tots on a Mission' monthly sheet. You can either have your little one trace the letters on the first page, or cut out the letter tiles below and have them match the letters to the correct letters in the name of the country. Have fun coloring the flag or just cut out the clip art and glue it to the page. An example of the completed page is below.
