NEW ZEALAND

I can thank God for:

- Freedom of religion so that the Gospel of Jesus Christ can openly be shared
- The Christians in New Zealand that volunteer to teach Bible classes and run camps and clubs so that children in New Zealand learn about Jesus

I can ask God for:

- To draw the hearts of New Zealanders to Himself so that they can truly be called Christians
- To move in Christian's hearts to continue to support Bible schools in New Zealand so that missionaries and pastors can be trained to tell others about Jesus
- To strengthen and encourage those who are reaching out to the New Zealanders to tell them about God, Jesus and the Bible
- To bring comfort, peace and hope to those who have suffered from the recent earthquake

This is the country
of New Zealand.

tots on a mission extras

Cut out the following clip art and use it for your 'Tots on a Mission' monthly sheet. You can either have your little one trace the letters on the first page, or cut out the letter tiles below and have them match the letters to the correct letters in the name of the country. Have fun coloring the flag or just cut out the clip art and glue it to the page. An example of a completed page is below.

I can thank God for:

- Every person in Kenya that loves and follows Jesus
- The open door in Kenya that allows Christian missions, education & ministry

I can ask God for:

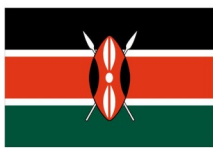

- Continued stability in the country so the Word of God can be taught
- Open hearts for those that are hearing about Jesus for the very first time, especially children
- Christians to go and share about Jesus with those in Kenya that have never heard about Him and for God to go be-
