I can thank God for:

- Each Albanian boy, girl and grownup who follows Jesus
- The way Albanian Christians, even though they are poor themselves, showed His kindness and love to the refugees from Kosovo by helping and caring for them

I can ask God:

- to encourage Christians to learn more about Him and share His love with everyone
- to teach Christians that even though many are poor, He blesses all those who give to others
- to give His strength to leaders in the churches as they teach people from the Bible and encourage them to follow Jesus
- to bring peace and hope to the people of Albania and give them leaders who will rule the country wisely and fairly

This is the country of Albania.
Albania is in Europe.

Cut out the following clip art and use it for your 'Tots on a Mission' monthly sheet. You can either have your little one trace the letters on the first page, or cut out the letter tiles below and have them match the letters to the correct letters in the name of the country. Have fun coloring the flag or just cut out the clip art and glue it to the page. An example of the completed page is below.
