H A I T I

I can thank God for:

- Each Christian in Haiti
- The missionaries in Haiti who are teaching young people about Jesus

I can ask God:

- to encourage all Christians to learn more about Him and to share His love with everyone and that their faith would remain strong in spite of hardship from everyday life and the effects of the recent earthquake
- to give people the strength to stop practicing voodoo
- to send people to help the adults and children in Haiti who are poor, sick, hurt, afraid and hungry
- to send leaders who will rule the country wisely and with justice and kindness

**This is the country of Haiti.
Haiti is in the Caribbean.**

Cut out the following clip art and use it for your 'Tots on a Mission' monthly sheet. You can either have your little one trace the letters on the first page, or cut out the letter tiles below and have them match the letters to the correct letters in the name of the country. Have fun coloring the flag or just cut out the clip art and glue it to the page. An example of the completed page is below.
